

HAVANA'S GLORIOUS

Rockets and Bands and
Gayly Decorated Boats
In His Honor.

HE CALLS ON BROOKE.

The Governor-General Will Live
at the Hotel Inglaterra Till
the Palace Is Empty.

Havana, Dec. 20.—Major-General Leonard Wood, the new Governor-General of Cuba, arrived here at daylight on the steamer Mexico. From Havana's harbor a Major-General's salute of thirteen guns was fired and the Cubans from the Punta fired a Governor-General's salute of twenty-one guns by the explosion of petards.

Civil Governor Nunez boarded the Mexico with Commissioner of Customs Bliss, Generals Chaffee, Richards and Humphreys, Mayor La Costa, a deputation from the courts and every department of the government.

General Wood was deeply affected upon hearing of the death of General Lawton, and was unable to converse for several minutes.

Every launch in the harbor, also barges, rowboats and ferryboats were decorated with bunting.

General Wood boarded a launch, while a salute of twenty-one rockets, each having American or Cuban flags attached, was fired. He was escorted to shore by a crowd of boats with bands playing. He is the recipient of numerous invitations to stay at private houses, but has felt it wiser to remain at the hotel.

General Wood will give an official reception in honor of the new Governor-General from 3 to 5 p. m. next Saturday. After retiring General Wood will remain for the United States on Saturday, remaining for some time in Tampa, before going further north.

Local papers devote much space to the reception, declaring that General Wood is the most acceptable man who could have been appointed to bring Cuba out of her difficulties and into a quiet harbor. The Lucena says:

"His first act is enough to ingratiate himself with the Cuban people, because he declared that he had no intention to issue a proclamation. This is a novelty which Cuban officials will surely be satisfied to see him to rely upon deeds rather than words."

Before sunset General Wood returned to the hotel, accompanied by a salute of seventeen guns from the Texas.

SHE DOES NOT WANT A DIVORCE TO MARRY AGAIN.

Mrs. Bertha Thompson Satisfies a Rhode Island Judge There Is No Collision in Her Suit.

Providence, R. I., Dec. 20.—Mrs. Bertha S. M. Thompson, whose application for divorce was continued in Judge Rogers' Court yesterday pending an inquiry concerning her residence here, came into the Supreme Court to-day and was closely questioned concerning her residence and intentions.

Her husband, who is an insurance broker in New York, did not contest the case, but Judge Rogers was satisfied that there was no collusion. In court to-day Mrs. Thompson declared that she had been nearly two years in New York for the purpose of obtaining a divorce, nor did she intend to return to New York as soon as a decree was granted. She also testified that she had not thought of marrying again.

Judge Rogers held the case under advisement, although convinced she had made out a strong case.

WALK GETS

French "Patriot" De-
nounces the Senate
and the President.

CALLS THEM INFAMOUS.

Says He Wants to Be Sen-
tenced for It, and the Pris-
oners Applaud Him.

Paris, Dec. 20.—M. Paul Deroulle, president of the League of Patriots, one of the prisoners on trial for conspiracy against the Government, was sentenced to-day to two years' imprisonment for libelling Senators composing the High Court of Justice.

M. Deroulle was sentenced on November 18 to three months' imprisonment for insulting the President of France.

Counsel urged that the charges against M. Marcel-Habert be joined to the present proceedings, but the Prosecutor-General declared this would be illegal.

M. Deroulle, who, though ill, was present, vehemently denounced the Senators and officers for being "subversive to the Government's orders." Amidst immense uproar M. Deroulle said:

"I wish to be condemned. I will say what I think of these scoundrels. This assemblage is infamous and dishonorable France and the Republic."

During increasing ill M. Deroulle continued:

"I include in my denunciations both the Senate and the President of the Republic." The Prosecutor made himself heard with difficulty in the tumult which ensued, and declared that he would not allow M. Deroulle, who continued to hurl insults at the High Court, coupled with the assertion that he desired punishment.

The session was eventually suspended and the Court retired to consider the situation. The prisoners acclaimed M. Deroulle.

LOGAN DIED A HERO WRITES COL. BRERETON.

When an Insurgent Bullet Laid Him Low.

Youngstown, Ohio, Dec. 20.—A letter written by Lieutenant-Colonel Brereton of the Thirty-third Infantry, who was with Major John A. Logan when he was killed, has been received here. It sets at rest the story circulated that he was killed by his own men. The letter is dated San Fabian, November 12, and says:

"Your husband died here while leading in battle the command to which he had been assigned upon joining his regiment, the Third Battalion of the Twenty-third Infantry, at the advance guard of the regiment in attack upon the town of San Fabian."

"Yesterday, November 11, Major Logan was leading our regiment of soldiers to assist him when he was shot through the head. This was shortly before 9 o'clock in the morning. Prompt surgical attention was at hand, but the Major never recovered consciousness and died while being conveyed to the hospital."

"The last person who saw him alive, and he was brave and self-possessed until struck down by the enemy's bullet."

NEW YORK RAILROAD

BATTERY PARK "L"
Plans, None of Which
Means Move Out.

The elevated railway company, in pursuance to the Park Commissioners' order of a year ago to remove the elevated railroad structure from Battery Park, yesterday submitted a number of plans to President Clausen providing for new routes to the South Ferry from Battery place.

Of the twelve plans submitted only four suggest an entire change from the present location of the line.

One plan proposes running the structure along Battery place to State street and down that street to the ferry. A second plan carries the structure along Battery place and Bowling Green to Whitehall street, and thence to the ferry. The third plan provides for a route following closely the State street margin of the Park all the way to the ferry. The fourth plan is the same as the second plan, except that it permits one entrance to the South Ferry station to remain on Park property.

In his letter submitting the plans Vice-President Skiff, of the company, said that the company had been unable to find a satisfactory plan to remove the structure from the matter of moving, to which President Clausen replied that he would be ready to consider the subject on Wednesday, December 27, at 11 a. m.
